Re: Correction to Letter Dated April 20, 2005

Dear Hashknife Trail District Members,

I made a mistake on the letter forwarded last week. The protest/objection period extends for twenty (20) days from the date of mailing. Protests and objections must be filed within that period. For example, we plan to mail out the notice of improvement, which opens the protest/objection period, on May 13. If mailed out on the 13th, then the protest/objection period closes on June 2. In the letter, I said protests and objections could be filed up to 9:00am on the day of the hearing. That was incorrect and only applies to the assessment hearing (later in the process), not the improvement hearing. Sorry for the confusion. Instructions on submitting protests and objections will be included in the mailing of the notice. Please call me at 779-6576 if you have any questions.

Sincerely,

Lucinda Andreani
